---

## SINCE 1979

Scan-Pot was established in September 1979 and is today a worldwide sales organization in close cooperation with selected high quality factories and leading designers. In our 500 m<sup>2</sup> showroom at Scan-Pot, you will find pots from all the key major pottery regions of the world. Our programs cover both indoor and outdoor assortments in an inspirational presentation designed to help build creative thought for product marketing.

Scan-Pot continually develops new products, and creates exciting new assortments for its new catalogue every year. Scan-Pots has over 16.000 m<sup>2</sup> of stock under roof, and 8.000 m<sup>2</sup> of outdoor stock at their disposal. Scan-Pot packing methods are a top priority for protection and safety in shipment. All pallets are shrinking wrapped in our advanced automated shrink tunnel before shipment.
